

Youth Impact Sports

THIS MONTH...

Written by Stacey Ashmore

Basketball is winding down and it has been a great season for a group of 5th & 6th graders. I've been pushing each one of them to work hard and to flourish on the court as one. Their progress and development have come a long way in different areas of the game.

Now, we're more focused on their behavior and attitude on and off the court, which is not that bad because of the training they've received from CCE Boxing. We have two more tournaments left to play in Greenville.

We're waiting for the field to be cleared and leveled off. Once that's finished, soccer games will pick back up at North Franklin. But soccer practice has just begun. Coach Wung is excited about the new field and is looking forward to working with youth.

Upcoming Sports Program

Three such youth are Evelyn Sebastian; Michael Marcos; and Brian Hernandez. Evelyn Sebastian, player #6 on team, is a resident of North Franklin Apartments and also plays on the Lakeview Middle soccer team, which won its last soccer game in a shootout with Blue Ridge Middle.

Michael Marcos is in his 2nd year at Greenville United. He's doing excellent and usually scores two soccer goals per game, which is equal to someone scoring four touchdowns.

I've sat down and spoken to him regarding his behavior, which has improved greatly. He's a great kid and I can see bright things for him in the future.

Bryan is into his 2nd year at Greenville United also. He's on the travel team and had the opportunity to participate in a weekend tournament in Florida. Bryan also plays with the Berea Middle soccer team.

Kids like these are the reason why I want to thank everyone who is sponsoring Youth Impact Sports.
