

Youth Impact Sports

THIS MONTH...

This weekend, the Youth Impact Sports 5th grade Basketball team played in the Hardwood, Inc. basketball tournament at Legacy High school! It turned out to be a grand weekend for the team, finishing the tournament 2-2. The coaching staff were very pleased with their performance and we also had a good parent turn out. Hardwood, Inc. will be hosting about four tournaments this year. The next tournament will be for 6th graders. It will be held from Friday-Sunday, March 18-20, 2022. The tournament entry fee will be \$275.00 per team.

The YIS swim camp means a lot to one parent and her kids: "Swimming lessons at Caine Halter YMCA have been amazing. In four short weeks, Kali has perfected her strokes from slapping her strokes to gliding gracefully and smoothly. She already knew how to swim but her technique needed work. Bodhi could not swim but had NO fear (scary combination). He can now swim underwater and is working on his breathing. The instructors are professional and attentive. I can highly recommend these lessons, especially as summer approaches. "

Upcoming Sports Program

We are gearing up for soccer at North Franklin Apartments. We are looking forward to our second year and refurbishing the soccer field and walking trail in the North Franklin community. Two youth from the community are playing for their middle and high school soccer teams. Bryan Hernandez is also playing with the Greenville United Soccer League. Last year, he was a big game changer in their program so he will be playing again with Greenville United, this year.

Greenville United will play in a soccer tournament in Florida next month.

Thank You!

We, at Just Say Something, would like to thank Reedy Property Group for the invitation to the February 26th celebration held for their team, partners, owners, and investors. Phil Clark and Stacey Ashmore had the opportunity to meet and converse with other attendees about Just Say Something, its programs, and what it has to offer to residents of their properties.
