

CIRCLE OF PARENTS®

A COMMUNITY OF SUPPORT FOR CAREGIVERS

At Circle of Parents®, we believe in a world where every caregiver has the knowledge, skills, and support needed to raise strong, resilient, and happy children.

Our groups provide a friendly, supportive environment led by trained facilitators but driven by parents and caregivers like you. It's a place to share successes, navigate challenges, and connect with others who understand the parenting journey.

HOW IT WORKS

- Free, weekly meetings where caregivers can openly exchange ideas, support, and resources.
- Groups for parents of children of all ages and all family types across the country.
- Many locations offer free children's programs—ask your local group for details!

Join us in building a stronger community for parents and caregivers everywhere!
